Dear Roland:

Re: Norval Standpipe - Weekend of October 19/20, 1996

We would be remiss if we did not take this opportunity to thank you sincerely for your assistance during the weekend of November 19th with the repairs to the Norval standpipe.

We are most appreciative of the professional relationship that has been maintained between Syntec and the Region of Halton, enabling us to offer a better level of service to our customers.

Thank you again, for your help.

Yours sincerely,
